

SILVER WINGS OF IDAHO

The Mountain Home Air Force Base air show, Gunfighter Skies, will be held June 2-3, 2018. We are proud and excited to announce the USAF Thunderbirds will be performing both Saturday and Sunday and we are expecting record numbers of visitors. Silver Wings of Idaho has a long and distinguished history of teaming with the 366 Fighter Wing to orchestrate exceptional airshows. First, to reflect a positive image for the USAF, second, to provide entertainment to hundreds of thousands of attendees throughout our history. You are key to our success and we work very hard to ensure you have a terrific time and your company is highlighted in a positive way to thousands of attendees.

A major financial responsibility of Silver Wings is contracting civilian air performers. These performers are significant to the airshow as they fill the days with a variety of aerial acts to complement the USAF Thunderbird performances. Silver Wings has many financial responsibilities to include; designing/publishing a complimentary news flier published by the Mountain Home News and the Mountain Home Air Force Base Patriot. These flyers are passed out at the airshow and very popular. They have maps, agendas, and emergency service information and of course your company highlight to thousands. Additionally we support a free base-wide barbecue for our military members and their families to say "thank-you" for their service. We create a free souvenir poster, host a social event to promote performers, and provide/deliver water and food to military, volunteer workers, and performers/crews. Your financial support is key to continued airshow success. We can't do this without you.

Becoming a Silver Wings partner range from selecting one of our exceptional sponsor packages, sponsoring an ad in the news flier which will be seen by thousands of people, or simply making a donation to Silver Wings to help fund the above-mentioned projects. We are proud of our Air Force community and are thrilled to be able to support our military men and women; we hope you will be, too!

On behalf of Silver Wings of Idaho, I would like to thank you for your consideration of being a part of this worthwhile endeavor. Attached is the list of our 2018 partner packages.
