*100% dedicated to enhancing  
Gunfighter Skies '26*

Dear Community Partner,

On behalf of Silver Wings of Idaho, it is my honor to invite you to support Gunfighter Skies "26," a United States Air Force open house and air show taking place May 16 and May 17, 2026, at Mountain Home Air Force Base. This free public event brings together Patriotic Americans from across Idaho to witness the unmatched airpower and professionalism of the U.S. Air Force while inspiring the next generation of aviators, engineers, and defenders of freedom. Silver Wings of Idaho is a nonprofit organization proudly working alongside the 366th FW to deliver a "world-class" show experience. We respectfully request your support to help us meet our fundraising goal of \$125,000, which will be used exclusively to enhance the quality and impact of Gunfighter Skies "26," . Silver Wings has many financial responsibilities that include civilian performers, souvenir posters, social events that promote performers, and provide/deliver water to hundreds of volunteers.

Please consider one of our exceptional sponsor packages or simply make a cash donation to Silver Wings to help fund this show. We can't do it without you! Together, we can ensure that Gunfighter Skies "26" reflects the pride, patriotism, and unity that define our Idaho community and the United States of America.

With respect and appreciation,

Robby Robinson  
Board President
